

Components of NetMotion Software Mobility version 12.x (the “Software”) may be subject to licenses from third parties, including open source communities that govern the use of those components (“Third Party Licenses”). Any licenses granted by NetMotion Wireless do not alter the rights and obligations you may have under such Third Party Licenses. NetMotion Wireless provides below copies of applicable terms of such Third Party Licenses. All Third Party Licensors and their respective suppliers retain all right, title and interest in and to their respective software and all copies thereof, including all copyright and intellectual property rights with respect thereto. All rights reserved.
